09606652419 • rex.salcedo@icloud.com • Philippines

PROFESSIONAL SUMMARY

Customer-focused technical support professional with experience in automotive technology support and healthcare customer service. Skilled in troubleshooting, customer communication, case management, problem-solving, and providing professional assistance in fast-paced environments. Demonstrates strong attention to detail, adaptability, and a commitment to delivering quality customer experiences while following established procedures and service standards.

PROFESSIONAL EXPERIENCE

Concentrix Philippines — Makati, Philippines

Senior Technical Support Representative | GM OnStar Account • December 11, 2024 – Present

- Provide technical assistance and customer support for GM OnStar services, addressing customer concerns and helping resolve technical issues.
- Troubleshoot reported problems by gathering relevant information, assessing symptoms, and following established diagnostic and resolution procedures.
- Communicate technical information clearly and professionally, adapting explanations to customers with different levels of technical knowledge.
- Manage customer cases accurately, document troubleshooting steps, and maintain detailed records to support effective case resolution.
- Apply critical thinking to identify potential causes of technical issues and determine appropriate next steps.
- Follow company policies, quality standards, data privacy requirements, and established support procedures.
- Maintain composure during challenging customer interactions and collaborate with relevant teams when escalation is needed.

Teleperformance Philippines

Customer Service Representative | Healthcare Account — Blue Cross Blue Shield • November 21, 2023 – July 30, 2024

- Assisted healthcare customers with inquiries and service-related concerns in a professional and customer-focused manner.
- Listened carefully to customer concerns, identified their needs, and provided information based on available resources and established procedures.
- Handled interactions with empathy and clear communication, including sensitive or complex concerns.
- Maintained accurate customer records and documented interactions in accordance with account procedures.
- Followed applicable privacy, confidentiality, and information-handling requirements for healthcare-related customer information.
- Used active listening and problem-solving skills to address concerns efficiently while maintaining service quality.
